

# BLUEPRINT Coaching and Leadership Training

Study the shadow, ego integration, spiritual antidotes, and the transformational process with *Debbie Ford*, the leading expert in the field of shadow work.

During this unparalleled, powerful and revolutionary personal and professional training program, change your life as well as the lives of others by learning and practicing cutting edge techniques. You will:

*Uncover* the internal blueprint that currently drives your thoughts, beliefs, feelings, behaviors, and choices.

*Discover* your evolutionary impulses and encode your consciousness with a new blueprint that will deliver you to the fulfillment of your destiny.

*Master* the most effective and empowering leadership and coaching skills available in the world today which you can use in any setting to create lasting change. Learn how to ask powerful questions, shift people's perspectives, and deliver communications that transform lives.

*Get Trained* to guide others through a deep, transformational coaching process unlike any other. Work with clients in both their inner and outer worlds, guiding them to gain deep personal insight and take powerful action toward the fulfillment of their greatest desires.

*Learn* the fundamental art and skills of Integrative Listening. Develop the profound ability to listen for the highest expression of your client's life, the hidden limitations that sabotage success, what wants and needs to be transformed to have a radical shift, and what will propel your client to make a quantum leap.

*Guide* clients to stretch beyond their limits, live at their evolutionary edge and fulfill their highest potential. Support them to find and connect with the resource inside of themselves that knows exactly what they need to do, the steps they need to take, the relationships they need to heal, the structures they need to put in place and the mountains they need to climb.
