

After the Shadow Process, *BreakThrough* sets the foundation for building a life beyond your wildest dreams. It is the core and the basis for all of our advanced training programs.

March 4. May 20, 2008

Inside the support structure that this 12-week course provides, step out of the false self and prepare the fertile ground for a new self to emerge; a self like you've never experienced; a self created out of unconditional love, peace and acceptance; a self that loves to equally give and receive; a self that is in the presence of its soul's purpose and feels the importance of its mission....a self that walks through life with a quiet mind and a loved-filled heart.

Be guided through the *Life Wheel*, blowing open all the old stories, lies, and distortions that keep you stuck in the repetitive patterns of the past...
